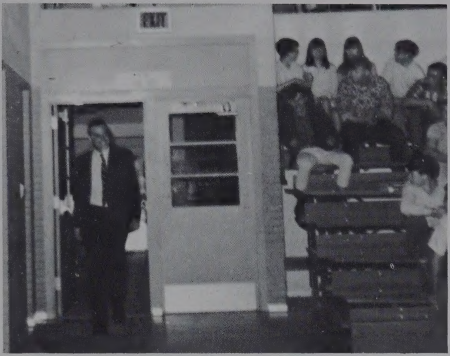
TABLE OF CONTENTS

We, the graduating class of 1968, . . .

. . . proudly dedicate this Century yearbook to you, Mr. Richard Dunn.

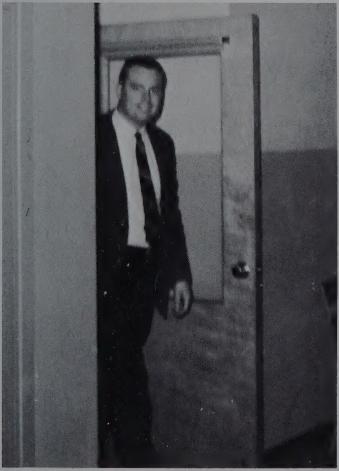
In the one short year you have taught at Kelloggsville High School, you have proven to be an invaluable friend and English teacher.

Many of us were privileged to have had you in our junior high school years when your guidance was most important to our young lives, and we feel we have gained much by having been associated with you in our final school year.



Mr. Dunn is surprised at the announcement of his selection by the seniors.

Always smiling, always busy.



Guardian of the classroom door.

Best wishes
for future
success

"Youth's for an hour,
Beauty's a flower,
But love is the jewel that
wins the world."

Moira O'Neill

Youth and beauty are highly prized but fleeting qualities. Love endures and overcomes the problems and adversities we face.

Love expresses itself in a concern for others.
Love respects the dignity of each individual.
Love grows in an atmosphere of freedom and justice.
Love is reflected in the appreciation of family
and country.
Love overcomes hatred, prejudice and fear.
Love opens the door to a happy and rewarding life.
